

Our Story

LEGACY

Champion Home Builders of Claysburg, PA offers both single section and multi-section manufactured homes as well as modular homes which are built to local and state construction codes. We are confident that you will find a floor plan that will meet your needs and lifestyle. At Champion, we take pride in designing functional and stylish homes that you will enjoy for a lifetime.

FLEXIBLE

To meet your expectations, as well as ours, we use high-quality building materials from trusted brand names. From insulation and fixtures, to flooring and appliances, we only buy from suppliers who share our commitment to quality.

OPTIONS

Beyond building a house, we are committed to providing you with a wide array of features for you to choose from. Features such as residential roof pitches, 2 x 6 wall construction, upgraded glamour bath packages, and wood cabinet door upgrades are just some of the important components that could be optioned into your dream home.

QUALITY

We provide our retailers with the broadest array of housing styles. We know that every sales opportunity is critical for our retailers. As a Champion retailer, you can be assured we will provide the needed support, no matter what market opportunity you are pursuing.

SERVICE

Your business relies heavily on the services provided by your manufacturer. At Champion we have a proven track record providing prompt service support to our customers. Knowing that your service needs are taken care of, you can focus on the important things, like selling more homes.
